

Sun Lakes Pickleball Club IronOaks
Member Skill Level Rating Policy
(Effective: 02.01.25)

To play ORGANIZED play (prime time) you must be a current Pickleball Amenity member (“Member”) through the IronOaks Fitness and Racquet Facility, and you must have an approved permanent, temporary, or conditional Sun Lakes Pickleball Club IronOaks (“SLPCIO”) skill level rating. All Members who wish to advance to a higher permanent skill level rating must attend an SLPCIO rating clinic (“Rating Clinic”) to test for that skill level.

If you currently have, or subsequently obtain, a USA Pickleball Tournament Player ([UTPR](#)) rating, an International Pickleball Teaching Professional Association ([IPTPA](#)) rating, a PickleballTournaments.com World Pickleball Rating ([WPR](#)); a Dynamic Universal Pickleball Rating ([DUPR](#)) reliable rating not provisional, or other recognized national or international rating, then you may receive a temporary SLPCIO rating at that skill level until you attend the next available Rating Clinic scheduled for you by the SLPCIO rating committee (“Rating Committee”) to test for that skill level.

Rating Clinics scheduled and conducted by the Rating Committee are offered to all Members.

New Member: (Defined as any Member who has not been a past Member or a past Member who has been inactive as a Member for more than 18 months.)

1. New Member with no prior rating from a Club/UTPR/IPTPA/WPR/DUPR:

- a. If new to Pickleball, the new Member must attend a beginner lesson (Introduction to Pickleball) from the Pickleball Pro or a designated instructor to learn the basics of Pickleball, proper shoes to wear, signing up for primetime play, score keeping, safety on the court, etc.
- b. New Members receive a 2.0 skill level rating after the lesson.
- c. New Members who desire a skill level rating above 2.0 will only be given a higher temporary rating after being approved by the Pickleball Pro or a designated instructor. (e.g., 2.5T).
- d. A new Member given a higher temporary rating shall only be assessed one time and must retain that temporary rating until the next available Rating Clinic scheduled for them by the Rating Committee. If the new Member is available and physically able to test but does not attend the Rating Clinic, they will revert to the next lower rating.

2. New Member with a prior rating from a Club/UTPR/IPTPA/WPR/DUPR:

- a. If a new Member has a UTPR, IPTPA, WPR, DUPR reliable rating, or other recognized national or international rating, then that same (or equivalent Club rating) may be assigned as a temporary rating until they can attend the next available Rating Clinic scheduled for them by the Rating Committee to test for that skill level.
- b. If a new Member provides evidence of a prior Club rating, they may receive a temporary rating at that same level until they can attend the next available

Temporary Rating: (e.g., 2.5T)

1. Candidates who are given a temporary "T" rating are given a 30-day period to play at that skill level until they must attend the next available SLPCIO Rating Clinic scheduled for them by the Rating Committee at a date and time when the Candidate is available and physically able to test.
2. Candidates with a "T" rating will only be able to test at their temporary rated skill level for both Personal Skills and Doubles Game Play testing.

5. Additional 30-day extensions will be granted for any subsequent Doubles Game Play Test in which the Candidate achieves a score between 20 and 22.
6. Failure to pass any subsequent Doubles Game Play test with a score less than 20 will result in the Candidate reverting to their original rating until they can pass a subsequent Doubles Game Play test at the higher skill level.

Retesting:

2. Waiting period before retesting for all Candidates who fail either the Personal Skills or Doubles Game Play Test is a minimum of 30 days.
